

Shed In A Day's Response to COVID-19

With COVID-19 upon us, our goal at Shed In A Day is to create an ordering, delivery and install process that is completely contactless. Your shed is installed entirely outside, and our employees have been trained to maintain a clean, healthy, and safe working environment.

Ordering a shed from us has never been simpler. We have just released our newest version of our industry leading online shed quoting tool which makes purchasing a shed easy. Choose the options that meet your requirements all in one simple online process. Get pricing and design your shed entirely online. [Click here to view our shed builder quote form for all makes and models.](#) We are also available to call at 905-592-2040 or email at shedinaday@msn.com to help guide you through your shed purchase. Although our sales office is currently closed to the public due to social distancing guidelines, our display sheds are available to view any time at 62 Head Street, Dundas, ON L9H 3H7.

Please be sure to [visit our online photo gallery](#) with over 1400 shed photos to help visualize the many options that we offer and to help you design your shed.

For your comfort and knowledge, we have a pre-delivery / pre-install email explaining the entire process for install or delivery. This gives you the full knowledge of the process without needing to come outside for the delivery or install.

Do it yourself shed kits are delivered to your driveway with no contact. Installs are completed entirely outside with no interaction required. Our workers do not need to come inside for any reason. You can remain indoors while the installation or delivery is taking place. We pride ourselves in leaving your property clean and ready to enjoy your new shed.

To ensure safer payment we accept: online bank payment, e-mail money transfer or cheque via mail. For credit card payments we accept: Visa, Amex or Mastercard online through PayPal which includes a 3% PayPal fee on top of the total cost. The final payment can be paid on your installation or delivery date the same way as your deposit online.

Health and safety are Shed In A Day's top priority. We strive to ensure that the entire process of purchasing a shed is as safe and convenient as possible in these unique times of COVID-19. If you have any questions or would like to contact us directly you can call 905-592-2040 or email shedinaday@msn.com Thank you for choosing Shed In A Day for your backyard storage needs and we look forward to working with you.
